

Coaching Campaign - 2024 Completed with grand success

Dear @fullname,

Date: April 3, 2024

Handi-Care Intl. takes this opportunity to thank **Mr. Baskaran Rajamani** for implementing this very significant initiative that has helped both the organization and the participants immensely. Close to **\$5500** was raised for our **Early Intervention project** which will take us closer to achieving our goal to offer rehab services to more than 9000 children with disabilities in poor rural parts of India.

More than 50 of you have participated in this extraordinary offer by Mr. Rajamani and benefited from his professional skills and wisdom.

Testimonials: *"It was nice to speak to you today. I realized how my assumptions have been limiting me and I am now feeling more enthusiastic and energetic in pursuing my passion freely. It's having a very positive influence and I look forward to the next session."*

- Student who was in a dilemma about Post-Graduate studies.

"Thanks for your time and insights today. I like your powerful analogy of how I am in my comfort zone and need to push myself to operate at the stretch zone to make it my comfort zone and expand my capabilities. Now I am feeling more motivated to stretch myself. Look forward to the next session."

- Bank Manager
