NEWSLETTER – 53 Sept.- Oct. 2009

❖ You will be pleased to note that in 2008, Handi-Care Intl. Spent 1.9 % of your donations on office expenses and disbursed 98.1 % to its charitable programs. This is significant, as we were able to put your money to great use.

❖ Since 2004, we have been sponsoring the higher education of 25 disabled youth per year. Today, 63 of them have successfully completed studies and are gainfully employed.

❖ If you are wondering what happened to those children sponsored by you more than 10 years ago, you will be pleasantly surprised that 33 of them have completed schooling and have moved on to higher education or have been integrated back to the society and under the care of their own parents. See this link (scroll down to the bottom) for details.
