DINNER BANQUET AT BOMBAY PALACE
MARK THE DATE FOR THE ANNUAL BANQUET!! COUNTING ON
YOUR SUPPORT !!

The volunteers have come back from their 2 month volunteer expedition in India. They have many heart warming stories to share with us. Stories about achievements of disabled youth after being through Vocational Training, stories about children rescued from child labour and now doing so well in school etc.

The significant observation by the 2 volunteers Dinesh and Rajan, who volunteered both in 2003 and 2004 at the same places in India, is the striking impact that HCI has made at [Nesam](#), [Maithri](#) and [Amar Seva Sangam](#) in the past year.

The fundraiser of 2003 had generated over \$30,000 all of which went towards annual sponsorship of 27 children at [Maithri](#), 21 at [Nesam](#) and 18 youth [ASSA](#). The rest went towards equipments for rehab, 2 cornea replacement surgeries and buying sewing machines for the poor women.

Our Volunteers were touched and excited by the impact HCI had made in the lives of poor, rural disabled. This feed back, needless to say, is warming our hearts and we are as committed as ever to continue our support to this population and more.

Encouraged and confident, HCI is launching the next fundraiser on
