❖ You will be pleased to note that in 2008, Handi-Care Intl. Spent 1.9 % of your donations on office expenses and disbursed 98.1 % to its charitable programs. This is significant, as we were able to put your money to great use. We are requesting your support again this year for our ongoing commitments.

❖ Since 2004, we have been sponsoring the higher education of 25 disabled youth per year. Today, 61 of them have successfully completed studies and are gainfully employed.

The inauguration was a grand success. Pujya Swami Dayananda Saraswathi was very pleased and gave a beautiful speech, inspiring the teachers, students and managers of Amar Seva Sangam. He blessed every child of the centre.

We are very happy to bring you this good news as you are very much part of this success and without your support, such an endeavor on our part would not have been possible. Please, come back to support us on our fund raising drive to sponsor and rehabilitate the children for whose welfare we have constructed the building!!
