NEWSLETTER - 59 June 26- 2010

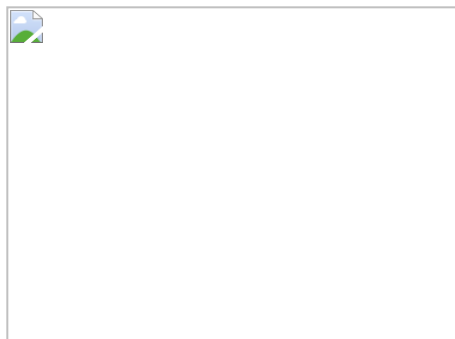

## THANK YOU ALL VERY MUCH !!!

The fundraising event was a grand success and the Kathak performance was a great hit as expressed by most of you. All the paintings done by our disabled children were sold and when we informed them, they were truly thrilled. We take this opportunity to thank everyone of you who contributed to our charitable activities, the sponsors, advertisers, volunteers who tirelessly worked hard to make the event a success and the artists of "Radha Academy of Carnatic Violin" and "Panwar Mistic & Dance Academy" for putting together a great performance.

- 17 children have been sponsored under our "[Adopt A Child](#)" program in 2010 so far. See our updated list for sponsors in 2010.
- 20 dates have been sponsored under "[Meal For A Day](#)" program. See our updated list.
- You have enabled us to continue with the sponsorship of highr education / Vocational training of [25 disabled youth](#) - all at Amar Seva Sangam. See the list with individual sponsors and students as well as general sponsorship.
- Who better understands the pain, suffering and the medical complexity of a spinal cord injury of a young adult in his 20s than a doctor? Dr. Dinesh & Kavitha Krishna have sponsored the rehab of "[Spinal Cord Injured](#)" and other programs by donating over \$7000.
- Additionally, we will be able to support the education of 45 children at [Maithri](#) (children rescued from child labour, belonging to very poor families)

I request those of you who missed the dinner event, to take a look at the souvenir book below. This has lots of updates on our activities, and interesting articles from visitors to our projects. For those who could not attend the event, we have added the
