## Requesting help for sponsorships

I take this opportunity to thank you immensely for your support of Handi-Care Intl. HCI is a volunteer driven organization and 100% of the funding comes from individual donors like yourselves. With diligent management of funds, we have managed to maximize the utilization of your donation, applying to various programs and projects for the physically & mentally challenged poor rural children and youth in India.

We have achieved several milestones in the past 19 years and with your unflinching support, we are more dedicated than ever to continue with our commitments. All of the current educational & rehabilitation programs need continuous funding in order to sustain the programs.

We gratefully acknowledge "**Agraharam Productions**" and its artistic director Dr. Raghuraman for coming forward to stage yet another exciting play for the benefit of HCI.

We request you to support us with your sponsorships. We will be glad to send you complementary invitations to attend the play. Proposed complements:
