Great Recognition- ABDUL KALAM GIVES TO OUR PARTNER ORGANIZATION!

Congratulations to Amar Seva Sangam, Handicare Intl's partner organization in India. Former Indian President Abdul Kalam has just donated 25 lakh rupees (\$50,000 CAN) to Amar Seva Sangam to support their great work! It was one of only four organizations he chose to support with the proceeds of the SR Jindal Award.

Recently, was conferred the SR Jindal Award...Quote from Kalam, "I wondered What Can I Give with the Rs. 1 Crore of the awards? Decided to give it to the four projects across the nation, which are creating an impact at the grass root.... 25 lakh to each ...

News: Mc Gill University of Montreal has recognized us and has approved the "Clinical Placements" of Physiotherapy & Occupational therapy students. This is similar to the program we have with Mc Master. Thanks to our volunteer Ms. Kamakshi Ganesan, who facilitated this process. We want to have the same done with other universities as well. If you know the contact for Clinical Placement Coordinators of other universities, Pls. let us know. This is a great opportunity for Canadian youth participation in India, which is seriously lacking. Most universities and student volunteers are unaware of any well run programs in India.

We have launched a new web page just for our Volunteer and Clinical placements: www.handicareintl.org/volunteer Please take a look and pass this info on to your

friends and family who may have suitable candidates
