NEWSLETTER - 77- June 28, 2012

- Handi- Care Intl., proudly announces the **completion of "School expansion building"** at Amar Seva Sangam. The building with class rooms and a science lab with access to disabled children is an extension of the existing school. The enrollment at Amar Seva Sangam's school has exceeded 700 students with a significant number of disabled children. This necessitated the project of building the school expansion and HCI managed to fund the entire cost of **\$72,000 with donations from individual philanthropists.** [Read more....](#)
- Our new building project - "**Early Intervention of childhood developmental disabilities**" is about to start. We will focus our fundraising efforts on this project. The [foundation stone for this building was laid](#) by H H Shri. Sringeri Sankaracharya in May 2012. With His blessings and all your support, we are confident of building this centre soon. **This centre, with state of the art facilities, equipments and trained staff, will be the only available rural centre of this kind in entire Tamil Nadu, offering free to affordable services to children of poor families. With early detection of Autism, Cerebral Palsy and other developmental issues in new borns, therapy & rehabilitation at a very young age of 0 to 5 will produce remarkable results.** There are **173 children from 800 villages** that are identified for enrollment. Please feel generous to support this project, so building can start soon. [Read more....](#)
