HAPPY NEW TAMIL YEAR / BAISAKHI / VISHU!!

Handi Care Int'l., wishes everyone of you a very Happy, Healthy, Prosperous and Peaceful New Year !!

This year is called "JAYA", meaning victory...

May the Lord bless us all to gain victory in every endeavour, especially the ones that mean a lot to others; that can help a poor student get good quality education; a poor child get the much needed help; the poor old woman to get her impaired vision treated.....

Handi Care Int'l., takes this special occasion to thank everyone of you for your trust and support that has made us take long strides in the field of education, rehabilitation and training for the poor rural children and youth with physical and developmental challenges.

Because of your support, we were able to build an "[Early Intervention Centre](#)" for children under 5 with developmental delays. The centre is buzzing with activities and more than 200 children are benefiting and showing significant progress. We invite you to take a look at the children in the [waiting list](#) and consider sponsoring them.... This would be a great New Year gift to these children waiting to move on...

You may also consider other programs we have, such as, "[Adopt A Child](#)", "[Meal For A Day](#)", "[Campus Feeding *](#)", "[Sponsor A Youth](#)" that will be of immense help....

With Best Wishes...

Handi Care Int'l.

*** Campus Feeding : For \$400**, the entire campus of about 600 people, including staff, children & youth receive special lunch on the date of your choice. You can celebrate your special day by choosing this plan. For \$200, the 300 children will receive special lunch.
