News from our local supportive community:

GO DHAAN: (DONATING A COW):

Meena and Srinivasan (Secretary, HCI) - long standing supporters of HCI, decided to give their son a very special Birthday gift. They donated Devi (mother cow) and Seetha (calf) - both names chosen by their 4 year old grand son. The newly added milk yielding cows are a great gifts to the children of Amar Seva Sangam. Little 5 year old **Kesava Ranganathan** wanted a special birthday gift... He wanted a cow, a real cow, like the one Lord Krishna was playing with, so the milk and butter can be given away to poor children whose parents can not afford the same. His wise grand parents - **Saroja and Dr. Ranganathan** came up with a perfect idea.... to donate a cow with her calf to AMAR SEVA SANGAM, where more than 300 children can have milk, yogurt and butter.... So, they did just that... Donated a young mother cow with an almost newly born calf on Kesava's 5th birthday.... [Kesava is thrilled to see the pictures.....](#)
