## Handi-Care Int. Celebrates Ontario 150 with the Differently Abled...!!!

On November 4th, [Handi-Care Intl.](#) celebrated Ontario 150 with Children and Youth with Special Needs from the South Asian community at the SVBF Community Center, Etobicoke. The program focused on promoting inclusiveness through arts. It was well attended by well over 200 people of whom 50 were from the special needs category. The event staged several performances by differently abled children and youth to showcase their talents that complemented the special month of November 2017 which has been declared as Autism Awareness Month.

This program was well covered by most South Asian news papers and by cnmnews network. Please [click here](#) to watch the highlights of the program.
