Newsletter 171 - May 2, 2021

Dear Handicare Intl,

Handi-Care Intl. is collecting donations for the <u>COVID relief supplies</u> for rural people in India, who are going through an unfortunate situation with a second wave. People are turned away from hospitals due to lack of hospital beds, oxygen and much needed medications. They are encouraged to buy oxygen, medications and self-treat at home. Our services are spread across several rural districts in India and there is a dire need for support for poor families who can not afford medications and oxygen. With your donation we will be able to supply the most essential items. <u>Donate now!</u>

The proceeds from our fundraising event, **Beats & Vibes**, on May 15, 2021, at 7pm, will go towards the COVID relief supplies for the vulnerable families with young children with special needs. Buy ticket, \$20 per family and support the critical need of the hour by visiting <u>our site</u>.
