Summer is behind us. The COVID-19 lockdown is playing hide and seek. The Alpha vaccinations thus far turned out to be Beta versions giving way to delta variations! Gamma or Theta, we zealously continue to guard each other!

The summer is gone and we continue to travel from one room to another within the same home, quite often looking at others around us through Zoom windows!

Well, let us be positive! In comes a great person who has enormous depth and breadth on varied subjects! Few of you would have already met this dedicated doyen through BAT with NATS!

Yes, the one and only Ravi Natarajan is all set to take us through another interesting subject!

This time it will be **FALL FUN TRAVEL FACTS!**

Exotic and exciting locations that we can travel in our own secured bio bubble, most of them, one-day trips!

Ladies and Gentlemen..

Ravi is all set to engage us for 2 Saturdays with FALL FUN TRIPS in ONTARIO. A Travel show with great pictures, location details, and tips, Ravi is all set to share with us!!

Be there at 8 pm on Saturday, Sep 25 joining JeemBoomBha, a Handi-Care Intl. show!

Date: Sep 25, 2021
