Dear Sulo Krishnamurthy,

More than **3000 children and youth with various disabilities** in rural India are supported by Handi-Care Intl. Many of them need essential mobility devices and equipment **which they cannot afford. This includes hearing aids, walkers, wheelchairs, supportive chairs, orthotics, standing boards, and other assistive technology.** This program will help them significantly to gain mobility and functionality, as proven by a similar program we ran in 2020.

According to The International Classification of Functioning, Disability and Health (ICF): "any product, instrument, equipment or technology adapted or specially designed for improving the functioning of a person with a disability." [Research Work by Canadians](#) - PPT file

We take this opportunity to thank all our donors and supporters who contributed to our campaign for Assistive devices in 2020, and thanks to all our donors and funders, we provided a total of [752 pieces of equipment](#), ranging from power wheelchairs to orthotics, and enabled **500 persons with disabilities to gain mobility and functionality.**

We request your support for this much-needed program. The list of beneficiaries and their requirements are listed on our [website](#). Please select a child and click the "Donate Now" button, personalized for each child, or choose "General Donation".

Target : \$ 65,000

All donations of \$20 and more are eligible for a tax receipt.

Please add our email addresses, newsletter@handicareintl.org, and communication@handicareintl.org, phone number, 647-853-4419 to your contact list so our emails/messages can reach your inbox.

Thank you!

Warm Regards,

Handi-Care Intl. Team
