**Happy New Year - 2024**

Many thanks to you for a great 2023!!

Dear Tamil Arasan Velayutahm,

Date: Dec 20,

2023

**Wishing that this new year brings good news all around and brings health, wealth, and prosperity into our lives!!!**

- 2023 has been a year of significant growth and achievement for the projects undertaken by HCI. A big thanks to all of you who have implicit trust in us and support the very important initiatives we have undertaken.
- Our flagship program **Early Intervention of Childhood Disabilities** is growing and we are able to service **9000 children (up from 5000 a year ago)**.

The EI program has made a real improvement to the lives of so many children and the scaling up and knowledge partnership prospects are growing!! It has become one of the largest and most impactful NGO driven early intervention and child rehab solutions.

***As of August 15th, 2023, the program has been adopted by 10 NGOs across five states in India (Tamil Nadu, West Bengal, Uttar Pradesh, Pondicherry, Assam, and Karnataka) and 3 institutions working in the Amhara region in Ethiopia. In addition to licensing to NGOs, horizontal scale-up was achieved through a partnership with the Tamil Nadu Department of Education!***

- Happy to share: We are publishing a research paper in a major journal- **Frontier - Leveraging monitoring, evaluation, and learning to scale the Enabling Inclusion® program for children with disabilities in India. Please read the full publication at <https://www.frontiersin.org/articles/10.3389/fpubh.2023.1165034>**
